The Grand Mosque is the only mosque in the UAE with a programme dedicated to schools. SMCCU is privileged to be the only institution in Dubai entrusted with the unique experience of showing non-Muslims & Muslims around the Grand Mosque. Our masjid visit is one of the best ways to learn about the religion, heritage and culture of the UAE. The visit is hosted by one of our registered tour guides, and offers an insight into the role of the mosque and its significance to the Emirati people. At the end of the session, students are encouraged to ask any questions which they might have. Because of SMCCU's "Freedom to Ask" policy, no question is off limits!

Up to 75 Students grades K1 - 5
Up to 150 Students grade 6 & up

This tour includes an educational walk through the historical Bastakiya with explanations by our host tailored to your students' educational level. They will also visit the inside of the Bastakiya Mosque and be educated on the role of the mosque and its significance to the Emirati people. Students then return to the SMCCU heritage house for a cultural discovery Q&A session. Here they can enjoy a sampling of Arabic tea, coffee and dates.*
